Craven

Tuesday, December 6, 2011

6:30 to 9:30pm (3 credit hours)

Cost \$10.00 due by November 29, 2011

Instructor: Terri Walls, RN

Medication Administration

This is a comprehensive course developed by UNC-Chapel Hill and the Division for Child Development and covers the roles of childcare providers, health care providers and parents in giving medication in childcare. The laws and best practice for administering medication safely in childcare will be explored. Participants will learn how to identify, store, measure, and dispose of medication properly in childcare. Participants will practice the 6 rights of the medication administration process using appropriate technique and tools. Time will be allotted to introduce how to develop a medication administration policy reflective of best practice and current law for their facility.

Wednesday, December 7 and Wednesday, December 14, 2011

6:45 to 8:45pm

Cost \$25.00 (.5 CEU's)

To Register go to www.swcdinc.org

You MUST attend both sessions to receive credit.

Instructor: Letha Ricks, School Age Education Specialist

Creative Program Planning School-Age Style

Have you ever spent hours creating activity plans for your school agers just to be disappointed that they weren't interested in what you had planned? School Age programs support their commitment to children by providing meaningful child centered learning opportunities. Providing quality learning experiences requires purposeful planning. This learning event will include tools, tips, and strategies to create a fun and motivating learning environment that engages the children in the planning process. When school agers are involved in planning their own activities, they are excited about participating and learning!

Tuesday, December 13, 2011
