

### Story Cubs Registration Form

Thank you for your interest in Story Cubs. This program will utilize the nationally acclaimed Raising A Reader (RAR) program and is hosted at our community partner site, Craven Smart Start's Lending Library. Each week of the program, you and your child will participate in a shared reading with a trained implementor and engage in a STEAM activity. You and your child will receive a red book bag filled with four books to take home, share/read, then return at your next Story Cubs session where you will receive a new bag of books.

Please help us learn a little more about you and your child by completing the information below. Red fields are required. Once all information is complete, please save the document and email it to the RAR Coordinator, Nadia Lowe at [nadia@cravensmartstart.org](mailto:nadia@cravensmartstart.org). Thank you!
